

BUSINESS CO-DESIGN

Who are we and what do we do?

Business Co-Design (BCD) leads, co-designs and supports transformative teaching and learning at the Business School. We work with faculty and professional services staff to deliver key strategic educational priorities for the School. Our team is comprised of academic and professional staff in the roles of educational developers, learning designers, media specialists, evaluators and support staff. We are part of the Associate Dean Education portfolio.

Academic Director: A/Prof Elaine Huber

Connected Learning at Scale (CLaS)
